## DATASHEET / BROCHURE

This 4K PRO-UHD<sup>1</sup> 150" Smart laser projection TV, part of the new EpiqVision Ultra range, comes with Android TV™ and sound by YAMAHA.

Open up the possibilities to bigger, more exciting home entertainment, without a TV permanently on the wall. Epson's 4K PRO-UHD<sup>1</sup>, super-ultra-short-throw laser projection TV is sleek in design and has Android TV. You can enjoy an 80" image from just 2.3cm away from the wall, with the option to adjust the distance to achieve up to 150", for the ultimate home cinema setting.

### The big screen experience

Feel immersed in everything you watch or play with this stylish and affordable 4K PRO-UHD<sup>1</sup> projector which can produce up to a 150" image placed close to the wall. For great gaming - try our new gaming mode with an under 20ms input lag time.

### Smart home entertainment

Android TV offers thousands of movies, shows and games from Google Play, Amazon Prime Video, YouTube and other favourite apps<sup>4</sup>. Enjoy dynamic audio and 3D surround sound with sound by YAMAHA, which can be used with or without a visual display by simply selecting the visual display to mute and can also connect via Bluetooth to use as a standalone speaker.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution to replace your TV? With this model's long-lasting laser light source, you'll be able to enjoy entertainment for up to 10 years<sup>2</sup>.

### Superior picture quality

With a high brightness of 4,000 lumens and contrast ratio of 2,500,000:1, this 4K PRO-UHD<sup>1</sup>, HDR10 projector delivers lifelike content and defined shadow detail. Epson's 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors<sup>3</sup>. With our Epson Setting Assistant app, it's even easier to set up, you can align the image automatically, with just a click of a button.
